DETAILED ACTION

Allowable Subject Matter

1. Claims 11-14 are allowed.
2. Claim 11 is allowable because the prior art of record, taken alone or in combination, fails to disclose or render obvious a precision auto alignment method for incident angle of an ellipsometer, wherein the precision auto alignment method comprises the steps of measuring tilt and translating angle errors according to incident angles of a polarizing unit at a first predetermined position, and, calculating the tilt and translating angle errors by performing measuring and compensating steps for the polarizing unit located at a subsequent predetermined position, in combination with the rest of the limitations of said claim.
3. Claims 12-14 are allowable because they are dependent on independent claim 11 or an intermediate claim.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
